To whom it may concern,

Re: Mr. Bruno Machado

I have known Bruno Machado for two and a half years as a personal driver, who also provides great service to my family.

I can confirm that he is a man of great integrity, is extremely dedicated to his family and work, and is entirely professional.

Furthermore, he initially provided car service to me and my company and I found him to be very reliable, highly active with security and a great problem solving attitude. He has been trusted on numerous occasions and he has fulfilled his tasks accurately. Mr. Machado has been elevated to provide car services to my personal family and he now plays an important role.

For your information, I am a Chief Executive Officer of Sustainable Development Capital. I have meetings all cross London and Mr. Machado takes good care of my transportation needs. I therefore highly recommended to anyone who wishes to travel in luxury to use Mr. Machado.

Yours faithfully,
